General Policies:

- ✔ Please provide me a clean final transcript edited by yourself or a scopist. Of course, I don't expect perfection. That's where a proofreader comes in handy. It will be easier for me to find those sneaky errors if it is a clean record.
- ✔ Any new clients can receive 15-20 pages at no cost. I encourage new clients to fill out a Reporter Preference Sheet so I can gain an understanding of the style of proofing you prefer.
- ✔ Please submit transcripts by e-mail in **PDF** format. There is a free PDF converter at [CutePDF Writer](#) available if you need one. Let me know if you need assistance.
- ✔ I return only annotated pages in PDF via e-mail. You'll see red markings and yellow highlighting as corrections. Blue may be used if I leave a note. Open these files with the *latest updated version* of **Adobe Reader** to be certain you see all of my markings.
- ✔ I reserve the right to charge an extra \$.10/page for **sloppy or "dirty"** work as well as **highly technical** transcripts, which leads to extra time in research.
- ✔ Please notify me as soon as you are aware you have a **rush** transcript so I can plan accordingly. If the transcript is 200 pages or greater, please send it to me in 50-page increments so I can work alongside you and get the job done quickly.
- ✔ For existing clients, invoices will be billed at the 1st and the 15th of each month and are due within a 10-day period. New or one-time clients will be billed upon completion and due upon receipt.
